THE ANNABELLE

The Annabelle is an open concept 1600 sq. ft. 2 bedroom, 4 piece main bath and ensuite bungalow complete with an expansive optional walkout lower level. This home is an ideal living space for both entertaining and healthy family living. A dramatic and bold exterior makes for a grand first impression as you approach. The interior speaks to a cozy, yet unpretentious elegance. The home features elevated ceilings, and a design that allows flexibility and addition of floor space.
